Big Sandy Rancheria Elders

Hello BSR Elders

It snowed twice this last month and it was beautiful and cold! We still held our monthly elder's luncheon on March 13th. Enchiladas, red rice, salad and St. Patrick's Day dessert was served. Next month will be our annual Elders Gathering on April 10, 2025. All elders age 55 and up have been invited from other tribes to join our BSR elders for lunch. Raffles prizes, good food and visiting with old friends. So please come join us at Big Sandy Gym from 10am-2pm. I hope to see you all

there. Also, our annual easter event will be coming up on April 19th with egg coloring on April 18th. If you would like to color eggs I will have a special spot for my elders both days here at the Tribal office. Wishing you all a very Happy Easter!!!

If you have Facebook and you noticed that our Big Sandy Rancheria Facebook page can no longer be seen, our Facebook account was hacked and we are in the process of creating another. If you have any questions please feel free to contact Leann Anguiano or Matt Munoz here at the tribal office.

BSR Head Start

Big Sandy Rancheria Tribal Head Start Program

As we near the end of the year, it's time to begin the transition to Kindergarten. Sierra Unified has scheduled two "Kindergarten Round-Up" dates which is an opportunity for families to register their child for the upcoming school year and meet the Kindergarten teachers. Parents of children moving on in the fall will receive a notice with more details soon.

This month, our classroom will be buzzing with excitement as we dive into our new theme all about bugs. From learning about different kinds of insects to fun hands-on activities like bug hunts and caterpillar crafts.

If you have any bug-related books or items to share, we'd love to see them!

As we approach the final months of the school year, we'll be focusing on skills that will help our students practicing independence, following routines, and building confidence in early literacy and math.

We appreciate parents taking the time to update your child's documents. Keeping everything current helps us ensure that your child receives the best care and services possible.

BSR Environmental Department April 2025

Attention!

Big Sandy Transfer Station is only accepting bagged household trash. DO NOT leave or throw large items in the trash bins. DO NOT leave items outside the transfer station. The Environmental Department provides community clean up events for larger trash items. Please look for clean up dates in the environmental newsletter.

What is Soil Erosion

Soil erosion is the wearing away of top soil by water, wind, ice, or snow. Human activity can significantly increase erosion rate. It's a natural process that affects all landforms. It also impacts our water quality. The sediments from the erosion can be transported into our water. With the wet weather upon us, here at Big Sandy you can prevent soil erosion by using mulch, plant ground cover, use wood chips, place crushed rock.

Big Sandy and Climate Change

Timing of natural events, such as blooming flowers and animal migration, can be influenced by changes in climate. Phenology events are influenced by a combination of environmental factors, including temperature, light, rainfall, and humidity. Different plant and animal species respond to different phenological. Disruptions in the timing of these events can have a variety of impacts on ecosystems and human society. Early spring may cause longer allergy seasons. Unusually warm weather can cause a "false Spring" which cause plants to bloom to early. If you look around Big Sandy you can already see the changes in the phenology events. With warmer weather and sporadic rain.

Community Clean-up

April 21st through the 25th

A roll off will be available at the transfer station the week of April 21st to April 25th. All items need to be put inside of the roll off bin. Do not leave items next to roll off. Items that cannot be dumped; motor oil, flammable liquids, and tires. Open to BSR community ONLY.

Family Spirit Home Visiting Program

BSR's Social Services, Stephanie Casillas and Jazmine Garcia recently completed the Family Spirit Health Educator program. The Family Spirit Program covers a wide range of maternal and child health topics, using strengths-based, culturally focused content. Family Spirit is also the first program to provide clear evidence of the effectiveness of paraprofessionals as home visitors to impact behavioral and mental health disparities. The use of paraprofessionals is essential in communities where there is a shortage of nurses and cultural barriers.

Family Spirit produces positive outcomes in parenting, maternal outcomes, and child outcomes including:

Increased maternal knowledge

Increased parent self-efficacy

Reduced parent stress

Improved home safety attitudes

Decreased maternal depression

Decreased substance use

Fewer behavior problems in children through age 3 (externalizing, internalizing, and dysregulation)

Predicts lower risk of substance use and behavioral health problems over the life course.

The program is designed to be taught one-on-one during home visits, but can also be used in group settings, depending on the family needs.

Big Sandy is partnering with the Fresno American Indian Health Project (FAIHP) on this project.

If you are interested in participating in the Family Spirit program, please feel free to call the Social Services Department at (559) 374-0066 ext. 242 or email scoord@bsrnation.com or ssbsr1@bsrnation.com.
