## Big Sandy Rancheria Elders

### Hello BSR Elders

Spring is here! The weather is warming up, and with that being said, we all know that snakes will be coming out, so please be careful. We held our Elders Gathering on April 10, 2025, it was an amazing event. We had 161 elders attend from North Fork Rancheria, Tachi Yokuts, Tule River Reservation, Dunlap Band of Mono Indians, Picayune Rancheria, of the Chuckansi Indians, Wukchumni Tribe, Cold Springs Rancheria, and of course Big Sandy Rancheria. A delicious lunch was served and raffle prizes were handed out. It was so amazing to hear everyone laughing, visiting and reconnecting with each other.

Here are some upcoming events Recognizing Mothers, Thursday, May 1st from 5:00pm-7:00pm. Show gratitude and make your mother feel special with a photo and a nice dinner. We also have our final big event the annual BSR Pow wow on May 17th and 18th. This is certainly the event of the year.

I am happy to inform you that FACEBOOK Account is now active for those of you who are on social media.

I hope you all had a very Happy Easter!! Our next Elder luncheon is on May 8th 2025, @ 12:00pm

# BSR Head Start

## Big Sandy Rancheria Tribal Head Start Program

As we begin to wrap up another incredible school year, we want to take a moment to say thank you. This year has been full of learning, laughter, and so much growth—both for your children and for us as a team. It has been a true joy to watch your little ones explore, discover, and shine.

May 29th will be the last day of Head Start for the 2024-2025 school year. Our annual graduation ceremony will be May 29th at 6:00 pm at the BSR POW WOW grounds.

Parents with Head Start children moving on to Foothill next year: Please remember to turn in any registration documents and update immunizations before the end of May this will ensure your child is pre enrolled and ready to begin in August.

We are now accepting Head Start applications for the 2025-2026 school year. If your child will be 3 years old by September 1st or are 4 years of age they are eligible for the program.

## BSR Environmental Department May 2025

### Air Quality during the summer months

There are five big pollutants that affect air quality throughout the U.S. All of these pollutants ground-level ozone, particle pollution, carbon monoxide, sulfur dioxide, and nitrogen dioxide become more prevalent in summer, reaching dangerous levels during hot and sunny weather when winds that would normally mix the atmosphere remain light.

These pollutants, in presences of each other and sunlight, form the smog that can irritate and cause major health problems.

To help Americans prepare for the summer air quality problems, the EPA is once again issuing an air quality forecast for most major cities in the U.S. This forecast will utilize the Air Quality Index (AQI), which is a six-level scale with categories running from good to hazardous.

### Climate Change— Water

As the climate changes, here at Big Sandy Rancheria we could face water supply shortages and impacts to water infrastructure. It takes a lot of energy to pump, treat, and heat water, so conserving water reduces greenhouse gas emissions, too.

**Use water efficiently at home at no-to-low cost:** Turn off running faucets and run your clothes washer with a full load using cold water.

**Check for water leaks in your home:** A leaky toilet can waste 200 gallons of water per day.

**Consider installing low-flow showerheads:** Not only do they save energy and money, you can also take them with you when you move.

**Take Shorter Showers:** Cutting your shower time by even a minute can help save gallons of water

### What Could Be Considered Illegal Dumping?

Everyone generates trash that they want to get rid of. How ever, there are some people out there who don't want to pay to throw away their garbage or unwanted items. It is illegal to dump: on a public or private road, or on private property that the public can assess through an easement, or on private property without the owner's consent. Here at Big Sandy we provide weekly trash pick up and access to the community Transfer Station. So be mindful where your dumping your trash.
