

AMOVE NIONALO October 2021 VUNUKE VUNUKE

A message from Tribal Council

Munahoo Neum,

Tzow Cyaneath, Good October. Happy Halloween! When celebrating, be safe out there and enjoy this awesome spooky Holiday!

The Tribe finally got material for the new Emergency Building, which will be in front of the existing BSR TANF building. This building will be used as storage to support all of the emergency equipment and supplies if we ever need to utilize them in any future emergency situations. The tribe was also able to purchase our own Water Truck! This accomplishment will be used for any emergency water situations. This has been a long wait, but well worth it.

Unfortunately, the way things are looking the Tribe could possibly return to a temporary closure. Tribal Council will make sure to keep everyone updated, especially with the Holidays coming up. Please see attached flyers for current events. Thank you and like always, have a blessed rest of your month.

REMINDER: The newsletter is available by email, if you would like to start receiving the newsletter through email rather than mail please contact the Tribal Office at 559.374.0066.

Elders Corner

Munahoo all Elders,

In September some of the Elders went up to Black Oak Casino & Resort. Usually we visit the Acorn Festival, due to COVID-19 it was cancelled this year. Next month, the Tribal Elders Meeting will be held on Thursday, October 14th, at 12:00pm. If you would, please come enjoy lunch and company with your fellow Elders.

Head Start

Big Sandy Rancheria Tribal Head Start Program

Our Head Start program is in full swing! We are having fun getting to learn all of our new friends and seeing the growth in our returning students.

We would like to welcome our new teaching assistant, Stephanie Carpenter to the program. Stephanie is from the local community and has an AA in Child Development.

The BSR Head Start program wants to send a huge thank you to the BSR Housing Department for all their hard work on our new playground. The students love it!

Tips for managing screen time in your preschooler:

Parents we understand life is busy and with today's technology screen time is unavoidable. Here are a few things you can do at home to help set limits. **1)** Choose educational and/or interactive games, shows or videos. **2)** Add related activities to extend education. For example: if your child is watching a show and horses seem to interest them, draw a picture together or look up fun facts about horses. **3)** Use as a reward. Example: once your child cleans up they can play on the iPad for 15 minutes.

Solid Waste Management

Big Sandy has made huge strides in the recent months to keep the community clean. Dumpsters are and have been provided, community clean up days are in place, and overall community effort play a huge role in these endeavors. Please continue to take part in the battery, lightbulb, and used motor oil collection that is offered daily and feel free to contact our department when you have larger items or e-waste to be discarded.

Top 10 Items That Should Always Be Recycled

- * Newspapers. Newspapers are one of the easiest materials to recycle. ...

Work Force Development

The crew has been very busy this past month. They are still working in Yosemite in the Merced Grove area with Calaveras Healthy Impact Solutions (CHIPS). The crew is still working in the Rancheria on the YSRCDC BSR PG&E Powerline Project, clearing and cutting brush under the powerlines to reduce fire activity. The crew worked four days on the Lewis Creek Trail and in the Nelder Grove area near Oakhurst, where they cleared trees and prepped for bridge building. For the Big Sandy Rancheria Native Youth Golf Tournament, we had three employees volunteer to work, and two employees that participated. Everyone had a great time. If you have any questions please contact Rick Fleming, WFD Director (559) 374-0066 ext. 230.
