A MESSAGE FROM TRIBAL COUNCIL

Munahoo Neum,

We do hope this newsletter finds you all in good health and spirits. As we close the busy month of October, we would like to highlight our successful events that took place here at Big Sandy Rancheria.

On October 15th, we held our Annual Golf tournament, and it was a huge success, and once again, hosted a SOLD-OUT tournament at the Dragon Fly Golf Club course, located in Madera. Tribes from across the Central Valley were represented and all had a wonderful time (North Fork, Tule River, Tuolumne, Picayune, Cold Springs, Tejon, Tachi Yokut Rancheria/Tribes). We are blessed to have built relationships with our neighboring Tribes and vendors over the years that help us fund our education scholarship program, elders' programs, native youth programs and community enhancement projects here at BSR. On October 18th, we hosted an event at the Mono Wind Casino, Big Dawg Bare Knuckle Fight, and it was as successful as the first event we had in July. We would like to thank our Big Sandy Rancheria and Mono Wind Casino Staff, for all their hard work and dedication to ensure the event was organized and provide for the safety of our patrons. We had our very own Mark Cruz, as a fighter, he gave his all, and we are proud of his accomplishments and staying involved in this exciting venture. Mr. Kerry Smith has resigned as our General Manager at the Mono Wind Casino, as we wish him much success in his new adventure. During this time of the absence of General Manager, CFO, and Marketing Director, the Council has taken on these roles until replacements are made, as we are actively pursuing individuals for these primary officials' positions. With all the prior Gaming Experience of Tribal Council, we have no problem stepping in and ensuring the gaming operation continues smoothly. We would like to encourage everyone to attend our General Council meeting scheduled for Sunday, December 14th at 10 am, to get a complete update on all the departments as we are moving with many new adventures. We just initiated a new "ENERGY DRINK" that is a product of Big Sandy Rancheria, with many taste tests of this new product "T-ZOW" is now available at the General Store. You will be amazed how delicious this energy drink is and are very impressed with the artwork on the label to include the Tribes logo. We have added our energy drink to our Tobacco Distribution Order Form and will be shipping products to other Tribal Nations, to be sold in their convenience stores/casinos. Wishing you all a happy holiday season.

Big Sandy Rancheria Elders

Hello Elders

I hope you're all doing well. Wow! Months are flying by, and our elders have been busy. On September 28 through October 3rd 2025 four elders attended the National Elders Conference in Oklahoma on the Choctaw nation it was a very informative conference, they got to meet Elders from all over the USA, Canada and Alaska they also got to visit the Choctaw Cultural center , what an amazing museum. On October 6 was our Fresno Fair Senior Day outing elders enjoyed corn dogs, cinnamon rolls, visited all the exhibits and had an amazing day there. After we all had lunch at El Pueblito Mexican restaurant. At the elders luncheon we had guest speakers from Crime Victim Assistant Center they passed out information and explained their services located in Fresno. On October 23, 2025, Our Elder Pearl Hutchins was honored at the 56th annual awards ceremony in Pechanga Casino Resort. She was honored for her dedication to teaching and preserving our culture. Congratulations Aunt Pearl it is a well-deserved honor you are always willing to share and teach without any compensation. On October 24, 2025, Turtle Lodge held their annual community dinner where they honored 5 elders from Big Sandy congratulations to Brenda Harrison, Janine Vella, Darrel Telles, James Robertson Jr and Deborah Cunningham. On October 25, 2025, Sierra Mono Museum invited our tribal elders for a tour and even though I was unable to attend it was nice to see some of our elders still make there way over. I am working on Dates for our Elders Christmas at Chukchansi we usually have a nice dinner and exchange gifts. The next elder luncheon is on November 13, 2025, at noon we will also have another guest from the Disability rights of California they will do a small presentation. Germ Proof Your Child:

Here are a few tips to keep your family healthy during the cold and flu season. 1) Hand Washing: hands should be washed for 20 seconds. This should be done before meals, after bathroom breaks, and if your child touches other kids, toys, and pets. 2) Keep wipes & sanitizing gel while on the go. 3) Sneeze and cough into a tissue. Or use the crook of your elbow 4) Do not let your child share drinks, utensils, or personal items with anybody. Including you and siblings.

Just a reminder to pack an extra pair of clothes, shoes, and sweater or jacket for your child

We are still accepting applications for Head Start for the 2025–2026 school year!

Why Recycle Abandoned Vehicles?

Recycling abandoned vehicles is beneficial year-round. Winter is a beneficial time because it helps prevent environmental hazards such as toxic fluids leaking during freezing and thawing cycles, improves community safety, and creates space, aligning with broader goals of resource conservation and reduced pollution. If you have an abandoned vehicle you would like to have removed, please contact Rebecca Riley @ (559) 374-0046.

What is Ozone?

Ozone can be good or bad for a healthy environment, depending on where it's found in the atmosphere. Stratospheric Ozone is the Earth's sunscreen. It is good because it protects living things from ultraviolet radiation from the sun. Ground-level ozone is bad because it can trigger a variety of health problems, particularly for children, the elderly, and people of all ages who have lung diseases such as asthma. Ozone sticks around when weather conditions are such that the air stays in place. Adding that to a deep snowpack, ozone is likely to be created more readily. Bad air can get trapped low to the ground due to a phenomenon known as temperature inversion. When there is snow on the ground and sunshine, this sunlight is reflected, creating warmer air above the surface.

MATTRESS RECYCLING!

Open to BSR tribal members, the environmental department, in partnership with the Mattress Recycling Council, is collecting discarded mattresses. Upcoming dates: November 19th and December 17th from 8:30 am to 4:30 pm. For any questions, please call Rebecca Riley @ (559) 374-0046 if you need assistance with disposing of your mattresses.

Environmentally friendly Holidays!!! Reduce, reuse, repair, and recycle

Electronics, clothes, plastics, and other items we buy cause carbon emissions at each point in production, from the extraction of raw materials to manufacturing and transporting goods to market. To protect the climate, buy fewer things, shop second-hand, and repair what you can. Plastics alone generated 1.8 billion metric tons of greenhouse gas emissions in 2019 – 3.4 percent of the global total. Less than 10 percent is recycled, and once plastic is discarded, it can linger for hundreds of years. Buying fewer new clothes – and other consumer goods – can also reduce your carbon footprint. Every kilogram of textiles produced generates about 17 kilograms of CO₂e.
